

## **The Jeff Tofflemire Memorial Scholarship**

**JEFF TOFFLEMIRE**

Jeff Tofflemire was born and raised in Coos Bay. He graduated from Marshfield High School in 1977, two years later than expected due to a critical motorcycle accident that occurred during his sophomore year. He was able to graduate due to his desire and perseverance, the dedication of his teachers and the help of fellow students at Marshfield. Jeff enjoyed the simple things in life and taught others around him to appreciate every moment. As this year's recipient of the Jeff Tofflemire Memorial Scholarship, it is the hope of his family that you will follow Jeff's example of laughing at every opportunity life presents.
