

WARREN AND ADALINE KOLEN MEMORIAL SCHOLARSHIP

Warren and Adaline Kolen were proud to call Coos County home for their entire lives. Warren was captain of the MHS football team and graduated in 1936. Adaline was co-salutatorian of the NBHS graduating class of 1937. The Kolens were the original owners of Vend West Services and Warren managed the company from 1954 until he retired in 1980. They were involved in the community, especially active in the CB Lions and Lioness Clubs, where each served as President. Warren and Adaline believed in the value of continuing education beyond high school, and ensured their daughters had the financial support to attain bachelor's degrees from OSU and U of O.
